Great Food Cocktails Craft Beer

Welcome to Eat Me @ the SJT. There's a few things you need to know. We're passionate about local produce and supporting local businesses. All our produce, where possible, is locally sourced, free range and outdoor reared.

All our food is cooked to order, and at busy times there may be a delay, if you are in a rush for the theatre, the train or collecting the kids please let us know, we will do all we humanly can to get you fed.

Our coffees are our own blends, you won't find them anywhere else! We only use butter on our breads. Our crushed potatoes and chips are skin-on for goodness and our chips are seasoned with Eat Me's own secret seasoning. Also please be aware that **OUR KITCHEN MAY CONTAINS NUTS**, both kinds, but mainly the staff.

If you have special dietary requirements or allergens please let us know and we will try to accommodate. We always have dairy-free butter alternatives, gluten-free bread, soya, coconut & oat milk on request.

We have been awarded the Gold Standard for healthy eating choices. If you prefer low sugar, low salt or low fat options please ask, we can advise and help in many ways.

Table reservations are recommended to avoid disappointment
